Plaintiffs,

MARK SCHRODER and BRUCE BERTRAND,

**DEFENDANT
MARK SCHRODER'S,
DEMAND FOR THE FIRST SET
OF INTERROGATORIES**

Defendants.
-----X

S I R S:

PLEASE TAKE NOTICE THAT, pursuant to Rule 33 of the Federal Rules of Civil Procedures and Local Rule 33.3 of this Court, the plaintiffs are hereby required to answer under oath within thirty (30) days, the following interrogatories:

INSTRUCTIONS AND DEFINITIONS

A. In answering these interrogatories, plaintiffs must furnish all requested information, not subject to a valid objection, that is know by possessed by, or available to plaintiffs or any of plaintiffs' attorneys, consultants, representatives, agents, and all others acting on behalf of plaintiffs.

B. If plaintiffs are unable to answer fully any of these interrogatories, plaintiffs must answer them to the fullest extent possible, specifying the reason(s) for plaintiffs' inability to answer the remainder and stating whatever information, knowledge or belief plaintiffs have concerning the unanswerable portion. An evasive or incomplete answer may be deemed to be a failure to answer, and may render plaintiffs and plaintiffs' attorneys both liable for the expenses of a motion to compel a responsible or complete answer, including reasonable attorneys' fees.

C. Each sub-part of a numbered interrogatory is to be considered a separate interrogatory for the purpose of answer and objection. Plaintiffs must answer separately to each sub-part, and if plaintiffs object to less than all of the sub-parts of a numbered interrogatory, then plaintiffs must

answer the remaining sub-parts. In addition, if plaintiffs object to an interrogatory or a sub-part thereof as calling for information that is beyond the scope of discovery, plaintiffs must, nevertheless, answer the interrogatory or sub-part thereof to the extent that it is not objectionable.

D. All of the following interrogatories call for continuous answers and, as such, require supplemental answers by plaintiffs in the event that, prior to the final disposition of this action, additional and relevant information comes to the attention of, or becomes available to plaintiffs, plaintiffs' attorneys, consultants, representatives, agents or any person acting on behalf of Plaintiffs. Without being requested by defendant, plaintiffs must promptly amend any answer when it is discovered to have been incorrect when made, or it is discovered to be no longer true and circumstances are such that a failure to amend is in substance a knowing concealment.

E. For each interrogatory and sub-part of each interrogatory, if the information furnished in your answer is not within your personal knowledge, identify each person to whom the information is a matter of personal knowledge, if known. The "incident" shall refer to the accident set forth in the Complaint.
